

2026 North Carolina Girls Flag Football Report

Week 3 — September 21, 2026

First season. NCHSAA sanctioned girls flag football for 2026-27, so there is no previous season to lean on and no outside rating to compare against. Early ratings rest on two or three games a team and will move a great deal.

What this rests on

- 1268 games stored for 2026, 387 played.
- 204 teams appear in them.
- 187 schools are recorded as fielding a team, 215 as not fielding one (their MaxPreps flag page lists no games).
- 71 games are the second meeting of a pair on one day.
- 4 games have no stated host: no team page listed them, so they came from the scoreboard, which never says who is at home.
- 16 stored games involve no NCHSAA team. They are out-of-state opponents' own games, kept because NCHSAA's RPI counts an opponent's full season, and left out of the results and schedule above.
- Ratings rest on 387 results and a fitted home advantage of +0.3 points. A team needs 4 games to be ranked.
- Source: MaxPreps, which is where NCHSAA tells schools to report results (handbook 4.6.1(h)). NCHSAA publishes no flag football RPI or standings table yet, so the RPI here is computed with the association's own formula, not taken from it.

Power ratings are opponent-adjusted and fitted by classification, so a team is measured against the level it plays. RPI is NCHSAA's formula ($0.4 \text{ WP} + 0.4 \text{ OWP} + 0.2 \text{ OOWP}$) computed from the games in this database, not the association's published figure — it has not published one for flag football.
